Submitter:

Assumptions: The email service is operational and configured correctly.

Dependencies: User Login User Story

As a new user,

I want to register for an account,

So that I can access exclusive content and features.

Acceptance Criteria

- 1. Given** I am on the registration page,
When I fill in the required fields and submit the form,
Then I should receive a confirmation email.
 - 2. Given** I have an existing account,
When I attempt to register with an email already in use,
Then I should see an error message indicating the email is already registered.
 - 3. Given** I have successfully registered,
When I log in with my credentials,
Then I should be redirected to my user dashboard.
-
